20FT SHIPPING CONTAINER (ONE TRIP) - BLUE

20FT CONTAINERS

CX-CID-3EFCE3 · SKU CX-8AD5658C · New One-Trip · Nov 16, 2026

OVERVIEW

This 20ft Containers unit uses the proven ISO box recipe: a corten steel frame with corrugated steel wall and roof panels welded into a single rigid shell. The floor is marine-grade plywood screwed down over steel cross members, so pallet jacks and loaded carts roll without flex. Cargo doors at one end carry lockrod hardware and full-perimeter gaskets, and corner castings at all eight corners allow crane lifting and tie-down. A one-trip unit will show cosmetic wear consistent with its grade, which we describe honestly before you buy.

For contractors, the 20Ft Shipping Container (One Trip) - Blue becomes the lockup that moves from job to job. Gang boxes, cords and consumables stay staged at the site instead of riding back and forth in trucks every night.

PRODUCT GALLERY

FIG. 1

FIG. 2

PRIMARY USES

- Base shell for a workshop, hobby space or future conversion
- Weather-tight shelter for ATVs, mowers and seasonal vehicles
- Event and festival gear storage between seasons
- Secure jobsite storage for tools, fasteners and power equipment
- Farm and ranch storage for feed, seed and implements
- Staging exports and one-way freight loads

KEY FEATURES

- Passive wall vents that cut interior condensation
- Fork pockets on most 20ft units for easy repositioning
- ISO corner castings for lifting, stacking and tie-down
- Full-perimeter door gaskets for a weather-tight seal
- Lockrod handles with padlock-ready hasps
- Original manufacturer data plate retained where present
- Stack-rated structure proven in ocean service

BENEFITS

- Holds resale value better than most portable buildings
- Usable the same day it comes off the truck
- Wind and water tight when doors are closed and latched
- Hardened steel shell that resists break-ins and rodents
- Ground-level access with no loading dock required
- Standard 20ft footprint makes planning and permitting discussions simple

INDUSTRIES SERVED

- Municipal
- Retail
- Manufacturing
- Education
- Events
- Construction
- Agriculture
- Logistics

SPECIFICATIONS AT A GLANCE

CONTAINER ID	CX-CID-3EFCE3
SKU	CX-8AD5658C
CATEGORY	20ft Containers
CONDITION	New One-Trip
EXTERIOR DIMENSIONS (NOMINAL)	20'0" × 8'0" × 8'6"
FLOOR AREA (NOMINAL)	160 sq ft
PRICE	$2,308.00
AVAILABILITY	In stock - ready to ship

Full specifications and a dimensional drawing are on this unit's Specification Sheet, available on the product page.

SITE PREPARATION CHECKLIST

- Leave swing room in front of the cargo doors, about 6 ft
- Check for low wires, branches and eaves along the approach
- Confirm a straight run of clear access for the delivery truck
- Lay railroad ties, blocks or compacted gravel at the corner points
- Grade so water sheds away from the container, not under it
- Choose a spot with firm, level, well-drained ground

DELIVERY NOTES

- The truck needs roughly 12 ft of clear width along the approach
- Allow at least 14 ft of overhead clearance for wires and branches
- Tilt-bed placement needs a straight run of about twice the container length
- Have someone 18 or older on site to confirm placement and sign

DOCUMENT CONTROL

DOCUMENT ID	CX-BR-3EFCE3-2026
REVISION	1.0
ISSUE DATE	November 16, 2026
