20FT SHIPPING CONTAINER (ONE TRIP) - DARK GREEN

20FT CONTAINERS

CX-CID-956956 · SKU CX-44A1E1D6 · New One-Trip · Nov 16, 2026

OVERVIEW

Every 20ft unit in this class is built around a welded frame of corten weathering steel, the same alloy used across global shipping fleets for its resistance to rust creep. Corrugated corten panels form the walls and die-stamped sheet forms the roof, all continuously welded to the frame. Underfoot, marine-grade plywood flooring sits on steel cross members, rated for forklift traffic. Double cargo doors swing on heavy hinges and seal against rubber gaskets to keep weather out.

For contractors, the 20Ft Shipping Container (One Trip) - Dark Green becomes the lockup that moves from job to job. Gang boxes, cords and consumables stay staged at the site instead of riding back and forth in trucks every night.

PRODUCT GALLERY

PRIMARY USES

- Secure jobsite storage for tools, fasteners and power equipment
- Document and records archiving away from the main office
- Farm and ranch storage for feed, seed and implements
- Overflow inventory space behind a retail store or warehouse
- Parts, tires and fluids storage for fleet operations
- Base shell for a workshop, hobby space or future conversion

KEY FEATURES

- Full-perimeter door gaskets for a weather-tight seal
- Fork pockets on most 20ft units for easy repositioning
- Passive wall vents that cut interior condensation
- Original manufacturer data plate retained where present
- Stack-rated structure proven in ocean service
- Double swing cargo doors that open a full 270 degrees
- ISO corner castings for lifting, stacking and tie-down

BENEFITS

- Stackable where yard space is tight
- Hardened steel shell that resists break-ins and rodents
- Relocatable if your site or needs change
- Standard 20ft footprint makes planning and permitting discussions simple
- Usable the same day it comes off the truck
- Holds resale value better than most portable buildings

INDUSTRIES SERVED

- Construction
- Events
- Manufacturing
- Agriculture
- Education
- Logistics
- Municipal
- Retail

SPECIFICATIONS AT A GLANCE

CONTAINER ID	CX-CID-956956
SKU	CX-44A1E1D6
CATEGORY	20ft Containers
CONDITION	New One-Trip
EXTERIOR DIMENSIONS (NOMINAL)	20'0" × 8'0" × 8'6"
FLOOR AREA (NOMINAL)	160 sq ft
PRICE	$2,312.00
AVAILABILITY	Out of stock

Full specifications and a dimensional drawing are on this unit's Specification Sheet, available on the product page.

SITE PREPARATION CHECKLIST

- Grade so water sheds away from the container, not under it
- Choose a spot with firm, level, well-drained ground
- Leave swing room in front of the cargo doors, about 6 ft
- Check for low wires, branches and eaves along the approach
- Confirm a straight run of clear access for the delivery truck
- Lay railroad ties, blocks or compacted gravel at the corner points

DELIVERY NOTES

- The truck needs roughly 12 ft of clear width along the approach
- Allow at least 14 ft of overhead clearance for wires and branches
- Tilt-bed placement needs a straight run of about twice the container length
- Have someone 18 or older on site to confirm placement and sign

DOCUMENT CONTROL

DOCUMENT ID	CX-BR-956956-2026
REVISION	1.0
ISSUE DATE	November 16, 2026
CLASSIFICATION	Technical Specification - Customer Reference
