20FT SHIPPING CONTAINER (ONE TRIP) - WHITE

20FT CONTAINERS

CX-CID-51CE6F · SKU CX-7FDBEA4D · New One-Trip · Nov 16, 2026

OVERVIEW

This 20ft Containers unit uses the proven ISO box recipe: a corten steel frame with corrugated steel wall and roof panels welded into a single rigid shell. The floor is marine-grade plywood screwed down over steel cross members, so pallet jacks and loaded carts roll without flex. Cargo doors at one end carry lockrod hardware and full-perimeter gaskets, and corner castings at all eight corners allow crane lifting and tie-down. A one-trip unit will show cosmetic wear consistent with its grade, which we describe honestly before you buy.

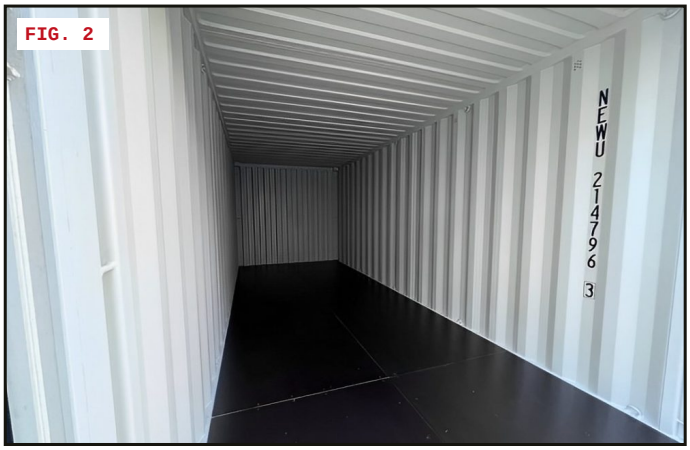

For contractors, the 20Ft Shipping Container (One Trip) - White becomes the lockup that moves from job to job. Gang boxes, cords and consumables stay staged at the site instead of riding back and forth in trucks every night.

FIG. 1

FIG. 2

PRIMARY USES

- Secure jobsite storage for tools, fasteners and power equipment
- Base shell for a workshop, hobby space or future conversion
- Overflow inventory space behind a retail store or warehouse
- Document and records archiving away from the main office
- Emergency and disaster-readiness supply caching
- Weather-tight shelter for ATVs, mowers and seasonal vehicles

KEY FEATURES

- Marine-grade factory paint system
- Double swing cargo doors that open a full 270 degrees
- Original manufacturer data plate retained where present
- Stack-rated structure proven in ocean service
- Lockrod handles with padlock-ready hasps
- Forklift-rated marine plywood floor
- Fork pockets on most 20ft units for easy repositioning

BENEFITS

- Far faster to place than stick-built storage of the same footprint
- Wind and water tight when doors are closed and latched
- Standard 20ft footprint makes planning and permitting discussions simple
- Stackable where yard space is tight
- Holds resale value better than most portable buildings
- Decades of service life with only basic upkeep

INDUSTRIES SERVED

- Logistics
- Retail
- Manufacturing

- Education
- Agriculture
- Construction
- Municipal

SPECIFICATIONS AT A GLANCE

CONTAINER ID	CX-CID-51CE6F
SKU	CX-7FDBEA4D
CATEGORY	20ft Containers
CONDITION	New One-Trip
EXTERIOR DIMENSIONS (NOMINAL)	20'0" × 8'0" × 8'6"
FLOOR AREA (NOMINAL)	160 sq ft
PRICE	$2,288.00
AVAILABILITY	In stock - ready to ship

Full specifications and a dimensional drawing are on this unit's Specification Sheet, available on the product page.

SITE PREPARATION CHECKLIST

- Choose a spot with firm, level, well-drained ground
- Grade so water sheds away from the container, not under it
- Lay railroad ties, blocks or compacted gravel at the corner points
- Check for low wires, branches and eaves along the approach
- Leave swing room in front of the cargo doors, about 6 ft
- Confirm a straight run of clear access for the delivery truck

DELIVERY NOTES

- The truck needs roughly 12 ft of clear width along the approach
- Allow at least 14 ft of overhead clearance for wires and branches
- Tilt-bed placement needs a straight run of about twice the container length
- Have someone 18 or older on site to confirm placement and sign

DOCUMENT CONTROL

DOCUMENT ID	CX-BR-51CE6F-2026
REVISION	1.0
ISSUE DATE	November 16, 2026
CLASSIFICATION	Technical Specification - Customer Reference
